ABOUT ME

I am Trinh Manh Hung - a third year student majoring in Computer Science at Ho Chi Minh City University of Technology (HCMUT). With a great passion for technology and the ability to self-study and quickly adapt to new technologies, I believe I will meet the company's requirements in this position.

OBJECTIVE

As a third year student, the opportunity to work at your company will help me take the first steps for the field of frontend developer and gain valuable experience for my future career path. Furthermore, I hope that this journey will be a great and exciting adventure for me to work with brilliant individuals in my lifetime.
